Emeriti Benefits Granted by the Board of Regents

<https://executivevc.unl.edu/faculty/searches-appointments/retirement-emeriti>.

1. On all formal occasions, emeritus faculty are recognized on the same basis as active members. They do not attend departmental or faculty meetings except upon invitation by the presiding office, and then without vote, but with privilege of the floor.

2. As detailed in the Graduate College Governance Document, upon the recommendation of the departmental or interdepartmental Graduate Committee, retired Graduate Faculty Members who have been appointed to emeritus status may retain the rights and privileges associated with their level of membership on the Graduate Faculty. Further, consistent with the policies of the Distinguished Professorships Committee, emeriti faculty may retain any special professorship title as approved by the Chancellor.
3. When emeritus faculty are called upon to act as references for former students, to furnish information to earlier associates, or to perform any other similar university service stemming from a responsibility which continues beyond their retirement, they are entitled to use official stationery and other departmental office privileges as is customary.
4. Special privileges within a department relating to office space or desk room and use of research facilities, including access to the computer network, may be granted at the discretion of the dean or director, in consultation with the department head or chair. This decision will take into account availability of space and the individual's ongoing contribution to the university.
5. The Campus Parking Office will issue a standard parking permit at no charge to any emeriti. <https://parking.unl.edu/faculty-parking-permit-purchase-guide>. Please note: To park on the Nebraska Innovation Campus, permit holders must notify Parking and Transit Services and request their permit be added to the reciprocal visitors list. Requests must be made from official UNL email accounts to unlpts@unl.edu.
6. The Athletic Ticket Office allows all emeriti faculty to purchase tickets for athletic events on the same basis as current employees (BOR Policy 4.2.6). Non-emeriti faculty and all retired staff maintain the same priority level they held during employment, however tickets must have been purchased for 10 consecutive years prior to retiring to retain them.
7. Events sponsored by the University Program Council at the Nebraska Union are available to all emeriti at the same discounts as regular faculty. <https://involved.unl.edu/university-program-council>.

Emeriti Benefits Offered by Select UNL Units

1. Emeriti can purchase up to two tickets per show for Lied Center events. Call or visit the box office to request this special discount. This discount cannot be combined with the discount for season ticket purchases. <https://www.liedcenter.org>
2. Emeriti may continue to access their University email. Please be aware that the university terminates access to this email address upon the death of the emeriti faculty member. Access by a family member for a short period of time (30-60 days) may be arranged by contacting Information Technology Services immediately (or as soon as possible) to manage the individual's email account. Information Technology can be contacted at 402-472-3970, 866-472-3970 and support@nebraska.edu. It is always a good practice (and highly recommended) to create and use a different email address for personal matters.
